DISCUSSION

PoI: What does the food policy to this?

A: Can sell on campus but can't consume on campus (still figuring out the chocolate part of the fundraiser). Cookie dough cannot be consumed on campus so it is okay.

-We don't oversee the athletics departments' actions and projects so the team doesn't have to go through LC.

PoI: Doesn't the food policy apply to everyone?

A: Yes, there are restrictions on where you can sell it and you can distribute food outside the 30 minute window.

-No selling of anything unless it goes through LC and is healthy.

PoI: What about Girl Scout Cookies?

A: These follow the same policy as cookie dough: pay now, distribute later.
